Table decorations x 10 – A tall vase with calla lilies and trailing ivy and hydrangea blooms **£40 each (including vase)**

Top table – A long and low arrangement for the top table incorporating flowers used in the bride's bouquet and trailing over the front of the table. **£50**

TOTAL COST £1275.50

The above prices are for use as a guide only; flowers can vary in price dramatically depending on the time of year. Every wedding is unique and you would require a personal consultation in which we can discuss ideas, and I can advise you if the blooms you want are available during the season you are marrying or alternatives if they are too expensive. I would then provide you with a quotation to suit your budget and requirements.

Call Lucy now to book a consultation either at the shop or in your own home (01904) 491080.
